

On the 2nd anniversary of the war on Iraq, Chicago will again join the world in saying...

# BRING THE TROOPS HOME NOW!

A March and Rally for Civil Liberties at Home  
and Self-Determination Abroad

## Saturday • March 19

The U.S. government uses our tax dollars to bankroll occupations in Iraq, Palestine and Afghanistan, threaten military intervention against Iran and Syria, support right-wing regimes in countries that include Colombia and Haiti, and overthrow the governments of Venezuela and Cuba. The hundreds of billions of dollars our government spends on war and occupation could instead fund affordable health care, housing, education, social security, public transportation and a host of other social and economic needs right here at home.

Send the government a message. Join us on March 19.

- We are currently battling for our constitutional rights to free speech and public assembly, and are seeking legal action to force the City of Chicago to honor our right to assemble and march according to the scenario proposed below:

**Noon March:** Assemble Oak St. between Michigan & Rush [proposed]

**2 PM Rally:** Federal Plaza, Adams & Dearborn St., Chicago

- With feeder marches across the city

En el 2do Aniversario de la guerra en Iraq, Chicago de nuevo se uné con el mundo en decir...

# ¡REGRESA LOS SOLDADOS AHORA!

Una marcha y reunión por los libertades civiles dentro del país y autodeterminación en el extranjero.

## SABADO • 19 de Marzo

El gobierno del EE UU usa nuestros dolares de impuesto para financiar ocupaciones en Iraq, Palestina, y Afganistán, amenazar intervencion militar contra Irán y Siria, soportar régimontos derechistas en países que incluyen Colombia y Haití, y derrocar los gobiernos de Venezuela y Cuba. Los cienes de billones de dolares que nuestro gobierno emplea en guerra y ocupación podria en vez ir a fondar programas de salud, casas, educación, seguro social, transportación publico que se puede comprar o dar y un multitud de otros necesidades sociales aqui mismo dentro del país.

Manda el Gobierno un Mensaje. Unir con nosotros el 19 de Marzo.

- Actualmente luchamos por nuestro derechos constitucionales de expression y reunion libre y buscamos acción legal a forzar la ciudad de Chicago que honore nuestros derechos de reunion y marchar conforme a los eventos proponidos mas abajo:

**MARCHA A MEDIODÍA:** Reúne a Calle Oak Street entre calles Michigan y Rush [proponido]

**Reunion a las 2 pm:** Plaza Federal, Adams y Calle Dearborn, Chicago

- Con mas marchas que se integaran por todo la ciudad
